PROJECT MANAGEMENT GENERAL EVALUATION, DOCUMENTATION

BY MPDNE

After analysed feedback acquired during the pilots – especially related with outputs IO.4, IO.5 and IO.6 - and integrate in final version of the outputs. We meet consensus on final version of the outputs, agreements on further dissemination and exploitation activities. Evaluated the management and control of the project activities and progress.

Project coordinator guided the final evaluation including financial control, quality evaluation and outline of the Final Report. All partners contributed to this evaluation.

**WE HAVE COME TO THE END OF OUR PROJECT
START-IN, WE DID IT TOGETHER, WE ARE HAPPY, WE
ARE PROUD...**

BY ALL PARTNERS

A warm thank you to all schools, teachers and students involved in the project Turkey, England, Finland, Greece, Spain, Poland and Ireland. With their help we gained valuable experience and opinions to develop and implement the project ideals.

Thanks also to the experts who worked in the project steering groups in Turkey, England, Finland, Greece, Spain, Poland and Ireland. We received support and insights from you in planning our operations.

There is a very strong cooperation and we are ready to meet the challenge of European Entrepreneurship by training skilled teachers and enterprising young people.
